*3<sup>rd</sup> Grade Music*

**Name:** \_\_\_\_\_

*You are a reporter for the Seymour Tribune. You have been asked by your supervisor that an ensemble is coming to town. You are then told that he/she would like a short article in Monday's paper talking about the concert. Please write an article on one of the pieces on the website. Choose **ONLY ONE** piece to write about. You may use this worksheet or write on a separate piece of paper.*

*Here are some questions that may help you write your newspaper article:*

*Is the music loud or soft? Fast or slow? Is the music choppy or smooth? Which instruments were used? Were the notes high, low, or in the middle? Are the musicians trained or untrained? Was the music perfected or sloppy? Would you attend this performance voluntarily? What did you choose this piece to write about?*
